I continue to champion nursing/medical and paramedic students, from these experiences I have been trained in and continue to learn about human resource development and accountability. My aim is that we will be a leading voice and have a seat at the table before decisions are made that effect our working environment. This will include increasing our membership, developing position papers, creating new alliances with government and industry, creatively involving students, and taking up important nursing issues. It would be my great honour to take these next steps with you as your President.
