33.0 CONFIDENTIALITY

The Employee or Employer shall not divulge or communicate any confidential information of the Employer or connections of the Employer, or of persons in the Employer's care, except to such person or agencies lawfully entitled to receive such information.

34.0 REDUNDANCY

For the purpose of this Agreement, redundancy shall occur where, in the opinion of the Employer, any position has become surplus to the operations of the Employer.

The parties agree that redundancy shall not apply where an alternative position within the organisation is available under conditions, which are not significantly different to the current conditions of employment.

Redundancy includes the sale or transfer or contracting out of all or any part of the business operations of the Employer where the new business does not employ the Employee on consistent terms and conditions to those applying immediately before such sale, transfer or contracting out.

The Employer will use their best endeavours to encourage the new owner or sub-contractor to offer Employees employment on consistent terms and conditions to those applying immediately before such sale, transfer or contracting out. Redundancy does not occur where Employees accept employment on such terms and conditions.

If the Employee's position is being considered for redundancy, the Employer shall consult with the Union, and shall consider the Union's suggestions or alternatives before determining whether or not the position shall become redundant.

The Employer, where possible, shall give at least 4 weeks' notice in writing of termination due to redundancy. By mutual agreement the period of notice may be paid in lieu. Such notice shall be worked or paid at the discretion of the Employer.

35.0 EMPLOYMENT PROTECTION

Section 69OI and 69OJ of the Employment Relations Act 2000 requires the Employer to provide employment protection for Employees affected by a proposal to sell, transfer or contract out all or any part of their business operations to a new Employer.

If the proposal affects an Employees position specified in Schedule 1A of the Act, the Employee has the right to transfer to the new Employer on their existing terms and conditions. If the proposal affects an unspecified position, the Employer will endeavour to negotiate continued employment for staff affected by the proposal on the terms and conditions of this agreement with the new Employer.

The Employer shall consult with the Employee affected by the proposal, providing sufficient information to allow meaningful consultation. The Employee's suggestions or alternatives shall be considered before the Employer asks the Employee to choose whether to accept any alternative offer.

Where the Employee elects not to transfer to the new Employer on the same or better terms and conditions, the Employee shall not be eligible for redundancy compensation.

36.0 SNOW POLICY

If an Employee is unable to attend work due to adverse weather conditions resulting in road closures or other genuine reasons for not being able to attend (for example, closure of schools or care centres due to adverse weather conditions), and has notified the Manager or place of work of their situation, they can nominate to take leave without pay for that day or take annual leave.

An Employee may choose to return to work for a partial day. In this case the Employee acknowledges that they will enter into discussion and agreement with the Employer as the Employer may have brought in other staff to cover the absence caused by the weather disruption. The final decision re payment will be at the reasonable discretion of the Employer.

The parties recognise that they have a mutual interest in ensuring services at Leslie Groves are provided efficiently and effectively and that all Employees have an important contribution to make in this regard.

The parties acknowledge that consultation and co-operation between the Employer and Employees is desirable on matters of mutual concerns and interest.

The consultation process for managing change shall be as follows:

- i) the initiative being consulted about should be presented by the Employer as a "proposal" or "proposed intention or plan" which has not been finalised;
- ii) information will be provided by the Employer to enable the Employee to develop an informed response;

- iii) time will be allowed for the Employee to assess the information and make such response, subject to the overall time constraints within which a decision needs to be made;
- iv) genuine consideration will be given by the Employer to the matters raised in the response;
- v) the final decision shall be made by the Employer.

The parties agree that during the term of this Agreement representatives from NZNO, E tū and Leslie Groves will form a consultative and cooperative group to meet every 6-8 weeks to develop pathways of communication and discussion for the express purpose to resolve any issues that members of the Unions or the Employer might rise.
